5. (Internal Use Only - JSW) [redacted] NSA, 25X1  
called to report his discussion with Representative Richard Poff concerning  
the forthcoming report of the National Commission for Reform of Title 18. 25X1  
[redacted] specifically took up section 798 and the omission of the wiretap 25X1  
provisions. Mr. Poff agreed 100% with the NSA position and immediately 25X1  
telephoned the Staff Director requesting that he be in touch with [redacted] 25X1  
for a discussion and modification of the report. [redacted] advised 25X1  
Mr. Poff that other agencies were also concerned, specifically mentioning 25X1  
CIA. Mr. Poff suggested that he have a CIA representative accompany 25X1  
him to the meeting with the Staff Director. I advised [redacted] that I 25X1  
would be happy to go with him when the appointment is set. I indicated 25X1  
to [redacted] that we had not yet talked with Mr. Poff but still plan to 25X1  
do so.

6. (Secret - JMM) Talked to Frank Slatinshek, Acting Chief  
Counsel, House Armed Services Committee, who said Chairman Rivers  
wants a briefing tomorrow updating the same sensitive subject we discussed  
last week. See Memo for the Record.

7. (Internal Use Only - JMM) Victor Zafra, OMB, called to say  
that OMB approved the immediate submission to Congress of Title II of  
our proposed "legislative package" on retirement. He said the problems  
of "equitable share of normal cost" and of "unfunded liability" which  
were interrelated posed certain difficulties and that in the letter he is  
sending us confirming the approval of Title II he would state that we plan  
to work together to resolve these difficulties on the Title I items in time  
for submission to the next Congress.

8. (Confidential - GLC) Acting on a call received by the security  
duty officer over the weekend and relayed to [redacted] DCS, 25X1
